SCOTT HUBER SELECTED FOR DANISH SEMINAR

CHARLESTON, IL--Scott Huber, son of JoEllen Cutright of Toledo and Randall Huber of Hillsboro, has been selected to participate in the 1993 Danish Atlantic Youth Seminar (DAYS) in Denmark from July 24 to August 1.

Huber graduated from Eastern in May with a Bachelor of Arts degree in political science.

The Atlantic Council of the United States generally selects 12-15 American students to participate in its annual youth seminar. Students from the U. S., Canada and Europe will meet with officials from NATO, the European community and European government officials to discuss current developments of interest to both Europeans and Americans. This year's focus is on "NATO and the New Europe," the former Soviet Union and Eastern Europe and the Balkans.

The seminar will also include a meeting with a Danish cabinet minister, excursions to local military bases, visits to sites of cultural importance and an evening in a Danish home.

Council has selected an Eastern student to participate in the youth seminar," said Wolfgang Schlauch, professor of history and study abroad coordinator at Eastern who nominated Huber.

Participants were selected based on their interest in the political, economic and cultural affairs of the Atlantic community and participation in university and/or community projects.

While at Eastern, Huber served as president of Model United Nations and head delegate for the Saudi Arabian delegation to the Midwest Model United Nations.

He plans to attend the Southern Illinois University Law School in the fall.
